GROUPS UNDER INSTRUCTION -to be completed by participants in instructed groups

"The British Mountaineering Council recognises that climbing and mountaineering are activities with a danger of personal injury or death. Participants in these activities should be aware of and accept these risks and be responsible for their own actions and involvement."

Each participant please fill in your details in one of the rows below. Please write "YES" or "NO" against the question asking your medical condition to indicate if you suffer from any medical condition which your instructor should know about. If you answer "YES" then please make sure you speak to the instructor about it before the start of the session.

There is a maximum of six participants per alien rock instructor.
